**TAKING A STAND AGAINST
INTERPERSONAL VIOLENCE**

ORANGE Wolverhampton

*We're supporting the
United Nations' 16 Days of Activism
25 November – 10 December*

Orange Wolverhampton raises awareness of the continuing drive to end all domestic abuse, including physical abuse, coercive control, financial abuse, sexual violence, female genital mutilation, forced marriage, so-called honour-based abuse, and stalking and harassment – and the help and support that is available to victims and survivors.
